EXPERIENCE

Stanford Department of Economics Stanford, CA (Hybrid)

Machine Learning & Econometrics Research Assistant *May 2026 – Present*

- Built predictive modeling pipeline for game outcome prediction from over 770k+ NFL plays.
- Stress tested a novel statistical method, Rich Abundant Factors, with NFL data, identifying unstable factor separation.
- Engineered Random Forest classification pipeline using team momentum and game-specific static variables, achieving ~60% accuracy in the 2025 season.
- Designed and tested two factor-label alignment methods, Hungarian matching and fixed-dictionary crosstab.

BBVA Corporate & Investment Banking - Operations & Mergers & Acquisitions Rotation Mexico City, Mexico

Data Analyst Intern *June 2025 – Aug. 2025*

- Generated multi-million annual savings in MXN by auditing 14,500+ permissions with 3 self-developed Apps Script tools; identified 801 allocation errors and presented findings to senior executives 2 weeks ahead of schedule.
- Used Gemini Enterprise to analyze and summarize ~200-slide market research decks.
- Selected to deliver closing address to internship cohort (approx. 30 interns) and senior leadership.

PROJECTS

On Justice and Credit: Microlending in LATAM Stanford, CA

Paper and Interactive Simulator *2026*

- Analyzed interest-rate structures across LATAM microlenders, proposing rate cap that shifts profitability toward ML-based credit scoring rather than rate markups.
- Built an interactive simulator for alternative credit scoring (Python, Streamlit), showing the interest-rate threshold past which simulated borrowers stop escaping debt.

LEADERSHIP & ACTIVITIES

Charles R. Blyth Fund Stanford, CA

Equity Analyst *Nov. 2024 – Jan. 2025*

- Pitched Duolingo (37% potential return) and CEMEX (35–40% potential return based on policy impact in forex).

Rise for the World Fellowship - Schmidt Futures & The Rhodes Trust New York City, NY & Oxford, UK

Rise ULatam Founder & Co-president *2022 – 2023*

- Selected 1 of 100 Fellows from 80,000+ applicants; built & shipped reading education app for ages 9-12.
- Founded and co-led the Latin American Rise Union (8 countries); structured partnerships with 5 organizations across LATAM & the UK. benefiting 500+ students in LATAM countries through sessions and 3 national conferences.

UniConecta Business Venture Chihuahua, Mexico

Co-founder *2024 – 2025*

- Co-founded UniConecta as an accessible college counseling business with 15 weekly sessions to 200+ students.

SKILLS

Programming languages: Python,C++, R, SQL, ExcelVBA. **Financial Modeling.**

Languages: Spanish (Native), Portuguese (Basic proficiency), English, French & German (Full working proficiency).
